08/2018 – 10/2018	**Multimedia Designer Intern,** *Next Door Design* ⬈
Aarhus, Denmark	• Developed and designed wordpress sites for customers.
	• Assisted in video footage recording for commercial media content.
	• Created motion graphics.

☷ Awards

| 29/03/2020 | **FWA of the day,** *The Fwa* ⬈ |
| | Your Typeface is a variable typeface experiment that enables you to design a typeface with your face. The font changes based on your face expression, making it personalized for you. Afterwards you can save it and download to use it as you like. |

🎓 Education

| 01/2017 – 06/2019 | **Multimedia Design and Communication,** *Business Academy Aarhus* ⬈ |
| Aarhus, Denmark | During the Multimedia Design programme I've gained knowledge, as well as learned skills in UI, UX, digital content creation, programming, and business fields. Thanks to this programme, I have had the opportunity to intern and make projects for local and international companies in Denmark. |

🗂 Projects

08/2021 – 09/2021	**Open EHR safe,** *Marketing campaign for European Hit Radio* ⬈
	• Produced marketing materials for the campaign.
	• Created a TV Ad, social media stories, social media content from provided client's creative briefs.
	• Developed and designed a react native app for the in-person event of guessing the safe password to win a prize, and a web app for tracking people's guesses and data compilation.
